Sneha Suresh

snehasureshjan23@gmail.com — +91 8129017857 — Alappuzha, Kerala

Objective

I'm an MCA graduate and passionate UI/UX designer who enjoys creating clean, user-friendly designs. I have hands-on experience in wireframing, prototyping, and user research, and I'm learning to follow accessibility standards like WCAG. I'm also interested in working in Agile environments and love collaborating with others to bring ideas to life and improve user experiences.

Education

Master of Computer Applications (MCA) – College of Engineering, Chengannur — **2025**
B.Sc. Computer Science – UIT, Adoor — **2020 – 2023**
Grade: 80.03%
Higher Secondary (+2) – Pope Pius Higher Secondary School — **2018 – 2020**
Grade: 75%

Projects

- **Payment App UI (2025)** – Designed a secure and user-friendly mobile payment application using Figma, including login, transfer, transaction history, and card management screens.

- **Redesigned Swiggy App in Figma (2025)** – Reimagined the Swiggy app interface with enhanced usability and modern aesthetics. Focused on improving navigation, clarity, and user satisfaction.

- **Personalized Fitness Recommendation System (2025)** – Developed a fitness application that analyzes user inputs to suggest workouts and diet using KNN and Cosine Similarity.

- **Turf Booking System (2024)** – Created a web-based platform for booking and managing turf schedules with intuitive UI and booking history.

- **Garbage Management System (2022)** – Designed a digital system for efficient municipal waste tracking and management.

Certifications

- UI/UX Design Course — Udemy

- UI & UX Design — Certified by Avodha, under Skill India & NSDC Initiative

- Cloud Computing — NPTEL (IIT), 2024

- Python and SQLite Workshop — Certified by Organizing Committee

- Python Workshop — Kleem Gotbay Media Infotech Pvt. Ltd.
